# Perfect Utility, Ultimate Versatility.

Accuspray™ Vs. Metal Spray Gun

**It's not metal, but it sure acts like it.**

Our mission is to **take the pain OUT of painting** — that means cleaning and maintenance — and it's got to be done **without sacrificing performance.**

We added extra atomizing air holes to the new 1.2mm and 1.3mm atomizing heads to ensure you're getting the premium performance you expect out of your metal guns, while making cleaning quick and easy with see through atomizing heads.

With five sizes of atomizing heads, make Accuspray™ ONE your ultimate utility gun and *the perfect complement to your collection.*
