| Voltage Rating                     | 50V                                                 |
| Tolerance                          | ±20%                                                |
| Surface Mount Land Size            | -                                                   |
| Size / Dimension                   | 0.630" Dia (16.00mm)                                |
| Series                             | Automotive, AEC-Q200, 146 RTI                       |
| Ripple Current                     | 1.65A                                               |
| Polarization                       | Polar                                               |
| Packaging                          | Tape & Box (TB)                                     |
| Package / Case                     | Radial, Can                                         |
| Operating Temperature              | -55°C ~ 125°C                                       |
| Mounting Type                      | Through Hole                                        |
| Lifetime @ Temp.                   | 4000 Hrs @ 125°C                                    |
| Lead Spacing                       | 0.295" (7.50mm)                                     |
| Impedance                          | 47 mOhm                                             |
| Height - Seated (Max)              | 0.866" (22.00mm)                                    |
| ESR (Equivalent Series Resistance) | -                                                   |
| Capacitance                        | 820µF                                               |
| Applications                       | Automotive                                          |

MAL214631821E3 Electronic Components is 100% New Original from YIC Distributor, Search MAL214631821E3 Datasheets, PDF, Inventory at Y-IC.com Online, Order MAL214631821E3 Angstrom / Vishay with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal.
