| Manufacturer            | KEMET                                 |
| Description             | CAP CER 10000PF 10V U2J 1210          |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | Require For Quote & Check Stock       |
| Voltage - Rated         | 10V                                   |
| Tolerance               | ±1%                                   |
| Thickness (Max)         | 0.035" (0.88mm)                       |
| Temperature Coefficient | U2J                                   |
| Size / Dimension        | 0.126" L x 0.098" W (3.20mm x 2.50mm) |
| Series                  | C                                     |
| Ratings                 | -                                     |
| Packaging               | Tape & Reel (TR)                      |
| Package / Case          | 1210 (3225 Metric)                    |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Surface Mount, MLCC                   |
| Lead Style              | -                                     |
| Lead Spacing            | -                                     |
| Height - Seated (Max)   | -                                     |
| Features                | Low Dissipation Factor, Low ESL       |
| Failure Rate            | -                                     |
| Capacitance             | 10000pF                               |
| Applications            | General Purpose                       |
