Specifications

|                                   |  |
|-----------------------------------|--|
| Part Number                       | S500-63-R                                |
| Manufacturer                      | Bussmann (Eaton)                         |
| Description                       | FUSE GLASS 63MA 250VAC 5X20MM            |
| Category                          | Circuit Protection > Fuses               |
| Part Status                       | Require For Quote & Check Stock          |
| Voltage Rating - DC               | -  |
| Voltage Rating - AC               | 250V                                     |
| Size / Dimension                  | 0.205" Dia x 0.787" L (5.20mm x 20.00mm) |
| Series                            | S500                                     |
| Response Time                     | Fast                                     |
| Packaging                         | Bulk                                     |
| Package / Case                    | 5mm x 20mm                               |
| Operating Temperature             | -  |
| Mounting Type                     | Holder                                   |
| Melting I <sup>2</sup> t          | 0.00057                                  |
| Fuse Type                         | Cartridge, Glass                         |
| DC Cold Resistance                | 125 Ohm                                  |
| Current Rating                    | 63mA                                     |
| Color                             | -  |
| Breaking Capacity @ Rated Voltage | 35A                                      |
| Approvals                         | -  |

S500-63-R Electronic Components is 100% New Original from YIC Distributor, Search S500-63-R Datasheets, PDF, Inventory at Y-IC.com Online, Order S500-63-R Bussmann (Eaton) with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal.
