| Description             | CAP CER 680PF 500V X7R 1206           |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | Require For Quote & Check Stock       |
| Voltage - Rated         | 500V                                  |
| Tolerance               | ±5%                                   |
| Thickness (Max)         | 0.069" (1.75mm)                       |
| Temperature Coefficient | X7R                                   |
| Size / Dimension        | 0.126" L x 0.063" W (3.20mm x 1.60mm) |
| Series                  | C                                     |
| Ratings                 | -                                     |
| Packaging               | Tape & Reel (TR)                      |
| Package / Case          | 1206 (3216 Metric)                    |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Surface Mount, MLCC                   |
| Lead Style              | -                                     |
| Lead Spacing            | -                                     |
| Height - Seated (Max)   | -                                     |
| Features                | High Voltage                          |
| Failure Rate            | -                                     |
| Capacitance             | 680pF                                 |
| Applications            | SMPS Filtering                        |
