### Specifications

|                                  |                                                        |
|----------------------------------|--------------------------------------------------------|
| Part Number                      | N74F862N,602                                           |
| Manufacturer                     | NXP Semiconductors / Freescale                         |
| Description                      | IC TRANSCVR INVERT 5.5V 24DIP                          |
| Category                         | Integrated Circuits (ICs) > Logic - Buffers, Drivers,  |
| Part Status                      | Require For Quote & Check Stock                        |
| Voltage - Supply                 | 4.5 V ~ 5.5 V                                          |
| Supplier Device Package          | 24-DIP                                                 |
| Series                           | 74F                                                    |
| Packaging                        | Tube                                                   |
| Package / Case                   | 24-DIP (0.300", 7.62mm)                                |
| Output Type                      | 3-State                                                |
| Other Names                      | 568-3192-5                                             |
| Operating Temperature            | 0°C ~ 70°C (TA)                                        |
| Number of Elements               | 1                                                      |
| Number of Bits per Element       | 10                                                     |
| Mounting Type                    | Through Hole                                           |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                          |
| Logic Type                       | Transceiver, Inverting                                 |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                             |
| Input Type                       | -                                                      |
| Detailed Description             | Transceiver, Inverting 1 Element 10 Bit per Element 3- |
| Current - Output High, Low       | 24mA, 64mA                                             |
| Base Part Number                 | 74F862                                                 |

N74F862N,602 Electronic Components is 100% New Original from YIC Distributor, Search N74F862N,602 Datasheets, PDF, Inventory at Y-IC.com Online, Order N74F862N,602 NXP Semiconductors / Freescale with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal.
