### Specifications

|                                   |   |
|-----------------------------------|---|
| Part Number                       | 250R180TF                                 |
| Manufacturer                      | Hamlin / Littelfuse                       |
| Description                       | PTC RESETBL 60V/250V .180A RAD            |
| Category                          | Circuit Protection > PTC Resettable Fuses |
| Part Status                       | Require For Quote & Check Stock           |
| Voltage - Max                     | 60V (250V Int)                            |
| Type                              | Polymeric                                 |
| Time to Trip                      | 21s                                       |
| Thickness (Max)                   | -   |
| Size / Dimension                  | 0.374" Dia x 0.181" W (9.50mm x 4.60mm)   |
| Series                            | POLY-FUSE®, 250R                          |
| Resistance - Post Trip (R1) (Max) | 4.5 Ohm                                   |
| Resistance - Initial (Ri) (Min)   | 1.4 Ohm                                   |
| Resistance - 25°C (Typ)           | -   |
| Ratings                           | -   |
| Packaging                         | Bulk                                      |
| Package / Case                    | Radial, Disc                              |
| Operating Temperature             | -40°C ~ 85°C                              |
| Mounting Type                     | Through Hole                              |
| Lead Spacing                      | 0.201" (5.10mm)                           |
| Height - Seated (Max)             | 0.472" (12.00mm)                          |
| Current - Trip (It)               | 650mA                                     |
| Current - Max                     | 10A                                       |
| Current - Hold (Ih) (Max)         | 180mA                                     |
| Approvals                         | cURus, TUV                                |
