| Operating Temperature              | -40°C ~ 100°C                          |
| Mounting Type                      | Through Hole                           |
| Lead Spacing                       | 0.591" (15.00mm)                       |
| Height - Seated (Max)              | 0.492" (12.50mm)                       |
| Features                           | X2 Safety Rated                        |
| ESR (Equivalent Series Resistance) | -                                      |
| Dielectric Material                | Polyester, Metallized                  |
| Capacitance                        | 0.047μF                                |
| Applications                       | EMI, RFI Suppression                   |
