| Manufacturer            | KEMET                                 |
| Description             | CAP CER 5600PF 200V COG RADIAL        |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | Require For Quote & Check Stock       |
| Voltage - Rated         | 200V                                  |
| Tolerance               | ±2%                                   |
| Thickness (Max)         | -                                     |
| Temperature Coefficient | COG, NP0                              |
| Size / Dimension        | 0.150" L x 0.100" W (3.81mm x 2.54mm) |
| Series                  | Goldmax, 300                          |
| Ratings                 | -                                     |
| Package / Case          | Radial                                |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Through Hole                          |
| Lead Style              | Straight                              |
| Lead Spacing            | 0.100" (2.54mm)                       |
| Height - Seated (Max)   | 0.183" (4.66mm)                       |
| Features                | Low ESL                               |
| Failure Rate            | -                                     |
| Capacitance             | 5600pF                                |
| Applications            | Bypass, Decoupling                    |
