| Manufacturer            | KEMET                                 |
| Description             | CAP CER 43PF 50V NP0 0603             |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | Require For Quote & Check Stock       |
| Voltage - Rated         | 50V                                   |
| Tolerance               | ±5%                                   |
| Thickness (Max)         | 0.034" (0.87mm)                       |
| Temperature Coefficient | C0G, NP0                              |
| Size / Dimension        | 0.063" L x 0.031" W (1.60mm x 0.80mm) |
| Series                  | L                                     |
| Ratings                 | -                                     |
| Packaging               | Tape & Reel (TR)                      |
| Package / Case          | 0603 (1608 Metric)                    |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Surface Mount, MLCC                   |
| Lead Style              | -                                     |
| Lead Spacing            | -                                     |
| Height - Seated (Max)   | -                                     |
| Features                | -                                     |
| Failure Rate            | -                                     |
| Capacitance             | 43pF                                  |
| Applications            | General Purpose                       |
