| Polarization                       | Polar                            |
| Packaging                          | Bulk                             |
| Package / Case                     | Radial, Can - Snap-In            |
| Operating Temperature              | -40°C ~ 85°C                     |
| Mounting Type                      | Through Hole                     |
| Lifetime @ Temp.                   | 3000 Hrs @ 85°C                  |
| Lead Spacing                       | 0.394" (10.00mm)                 |
| Impedance                          | -                                |
| Height - Seated (Max)              | 1.850" (47.00mm)                 |
| ESR (Equivalent Series Resistance) | -                                |
| Capacitance                        | 1000µF                           |
| Applications                       | General Purpose                  |
