| Manufacturer            | Melexis                                            |
| Description             | IC SENSOR INTERFACE LOOP 16SOIC                    |
| Category                | Integrated Circuits (ICs) > Interface - Sensor and |
| Part Status             | Require For Quote & Check Stock                    |
| Series                  | -                                                  |
| Input Type              | -                                                  |
| Current - Supply        | 2.1mA                                              |
| Operating Temperature   | -40°C ~ 125°C                                      |
| Mounting Type           | Surface Mount                                      |
| Type                    | Sensor Interface                                   |
| Output Type             | -                                                  |
