| Part Status                        | Require For Quote & Check Stock         |
| Voltage Rating                     | 5V                                      |
| Tolerance                          | ±20%                                    |
| Surface Mount Land Size            | -                                       |
| Size / Dimension                   | 3.000" L x 1.750" W (76.20mm x 44.45mm) |
| Series                             | MLS                                     |
| Ripple Current                     | 34.4A @ 120Hz                           |
| Polarization                       | Polar                                   |
| Packaging                          | Bulk                                    |
| Package / Case                     | FlatPack                                |
| Operating Temperature              | -55°C ~ 125°C                           |
| Mounting Type                      | Through Hole                            |
| Lifetime @ Temp.                   | 10000 Hrs @ 85°C                        |
| Lead Spacing                       | 1.000" (25.40mm)                        |
| Impedance                          | -                                       |
| Height - Seated (Max)              | 0.500" (12.70mm)                        |
| ESR (Equivalent Series Resistance) | 30 mOhm @ 120Hz                         |
| Capacitance                        | 47000µF                                 |
| Applications                       | General Purpose                         |
