Specifications

|                        |   |
|------------------------|---|
| Part Number            | MTSMC-G-F4-V.R1                         |
| Manufacturer           | Multi-Tech Systems, Inc.                |
| Description            | RF TXRX MODULE CELLULAR MMCX ANT        |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | Require For Quote & Check Stock         |
| Voltage - Supply       | 5V                                      |
| Series                 | SocketModem@ GPRS                       |
| Serial Interfaces      | UART                                    |
| Sensitivity            | -                                       |
| RF Family/Standard     | Cellular                                |
| Protocol               | GPRS, GSM                               |
| Power - Output         | -                                       |
| Packaging              | Tray                                    |
| Package / Case         | Module                                  |
| Operating Temperature  | -30°C ~ 70°C                            |
| Mounting Type          | Through Hole                            |
| Modulation             | -                                       |
| Memory Size            | -                                       |
| Frequency              | 850MHz, 900MHz, 1.8GHz, 1.9GHz          |
| Data Rate              | 115.2kbps                               |
| Current - Transmitting | 400mA                                   |
| Current - Receiving    | 400mA                                   |
| Antenna Type           | Not Included, MMCX                      |

MTSMC-G-F4-V.R1 Electronic Components is 100% New Original from YIC Distributor, Search MTSMC-G-F4-V.R1 Datasheets, PDF, Inventory at Y-IC.com Online, Order MTSMC-G-F4-V.R1 Multi-Tech Systems, Inc. with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal.
