| Category                           | Capacitors > Aluminum Capacitors |
| Part Status                        | Require For Quote & Check Stock  |
| Voltage Rating                     | 10V                              |
| Tolerance                          | ±20%                             |
| Surface Mount Land Size            | -                                |
| Size / Dimension                   | 0.197" Dia (5.00mm)              |
| Series                             | ZLH                              |
| Ripple Current                     | 172.5mA                          |
| Polarization                       | Polar                            |
| Packaging                          | Tape & Box (TB)                  |
| Package / Case                     | Radial, Can                      |
| Operating Temperature              | -40°C ~ 105°C                    |
| Mounting Type                      | Through Hole                     |
| Lifetime @ Temp.                   | 6000 Hrs @ 105°C                 |
| Lead Spacing                       | 0.079" (2.00mm)                  |
| Impedance                          | 220 mOhm                         |
| Height - Seated (Max)              | 0.492" (12.50mm)                 |
| ESR (Equivalent Series Resistance) | -                                |
| Capacitance                        | 150µF                            |
| Applications                       | General Purpose                  |
