| Manufacturer                       | Cornell Dubilier Electronics     |
| Description                        | CAP ALUM 3.3UF 20% 63V RADIAL    |
| Category                           | Capacitors > Aluminum Capacitors |
| Part Status                        | Require For Quote & Check Stock  |
| Voltage Rating                     | 63V                              |
| Tolerance                          | ±20%                             |
| Surface Mount Land Size            | -                                |
| Size / Dimension                   | 0.197" Dia (5.00mm)              |
| Series                             | SN                               |
| Ripple Current                     | 37mA @ 120Hz                     |
| Polarization                       | Bi-Polar                         |
| Packaging                          | Bulk                             |
| Package / Case                     | Radial, Can                      |
| Operating Temperature              | -40°C ~ 85°C                     |
| Mounting Type                      | Through Hole                     |
| Lifetime @ Temp.                   | 1000 Hrs @ 85°C                  |
| Lead Spacing                       | 0.098" (2.50mm)                  |
| Impedance                          | -                                |
| Height - Seated (Max)              | 0.433" (11.00mm)                 |
| ESR (Equivalent Series Resistance) | 48.25 Ohm @ 120Hz                |
| Capacitance                        | 3.3µF                            |
| Applications                       | General Purpose                  |
