| Manufacturer            | AVX Corporation                         |
| Description             | CAP CER 0.022UF 200V X7R AXIAL          |
| Category                | Capacitors > Ceramic Capacitors         |
| Part Status             | Require For Quote & Check Stock         |
| Voltage - Rated         | 200V                                    |
| Tolerance               | ±20%                                    |
| Thickness (Max)         | -                                       |
| Temperature Coefficient | X7R                                     |
| Size / Dimension        | 0.150" Dia x 0.290" L (3.81mm x 7.37mm) |
| Series                  | SpinGuard® SA                           |
| Ratings                 | -                                       |
| Packaging               | Tape & Reel (TR)                        |
| Package / Case          | Axial                                   |
| Operating Temperature   | -55°C ~ 125°C                           |
| Mounting Type           | Through Hole                            |
| Lead Style              | -                                       |
| Lead Spacing            | -                                       |
| Height - Seated (Max)   | -                                       |
| Features                | -                                       |
| Capacitance             | 0.022µF                                 |
| Applications            | General Purpose                         |
