| Package / Case          | 1812 (4532 Metric)                    |
| Operating Temperature   | -55°C ~ 125°C                         |
| Mounting Type           | Surface Mount, MLCC                   |
| Lead Style              | -                                     |
| Lead Spacing            | -                                     |
| Height - Seated (Max)   | -                                     |
| Features                | Epoxy Mountable, High Temperature     |
| Failure Rate            | -                                     |
| Capacitance             | 10000pF                               |
| Applications            | High Reliability, Automotive          |
