### Specifications

|                        |   |
|------------------------|---|
| Part Number            | SPSGRF-915                              |
| Manufacturer           | STMicroelectronics                      |
| Description            | RF TXRX MODULE ISM<1GHZ CHIP ANT        |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | Require For Quote & Check Stock         |
| Voltage - Supply       | 1.8 V ~ 3.6 V                           |
| Series                 | -                                       |
| Serial Interfaces      | SPI                                     |
| Sensitivity            | -118dBm                                 |
| RF Family/Standard     | General ISM < 1GHz                      |
| Protocol               | -                                       |
| Power - Output         | 11.6dBm                                 |
| Packaging              | Tray                                    |
| Package / Case         | Module                                  |
| Operating Temperature  | -40°C ~ 85°C                            |
| Mounting Type          | Surface Mount                           |
| Modulation             | 2-FSK, ASK, GFSK, GMSK, MSK, OOK        |
| Memory Size            | -                                       |
| Frequency              | 915MHz                                  |
| Data Rate              | 500kbps                                 |
| Current - Transmitting | 9mA ~ 22mA                              |
| Current - Receiving    | 10mA                                    |
| Antenna Type           | Integrated, Chip                        |
