| Manufacturer            | KEMET                                   |
| Description             | CAP CER 4.7PF 25V COG AXIAL             |
| Category                | Capacitors > Ceramic Capacitors         |
| Part Status             | Require For Quote & Check Stock         |
| Voltage - Rated         | 25V                                     |
| Tolerance               | ±0.1pF                                  |
| Thickness (Max)         | -                                       |
| Temperature Coefficient | COG, NP0                                |
| Size / Dimension        | 0.095" Dia x 0.170" L (2.41mm x 4.32mm) |
| Series                  | Aximax 400                              |
| Ratings                 | -                                       |
| Packaging               | Tape & Reel (TR)                        |
| Package / Case          | Axial                                   |
| Operating Temperature   | -55°C ~ 125°C                           |
| Mounting Type           | Through Hole                            |
| Lead Style              | -                                       |
| Lead Spacing            | -                                       |
| Height - Seated (Max)   | -                                       |
| Features                | Low ESL                                 |
| Failure Rate            | -                                       |
| Capacitance             | 4.7pF                                   |
| Applications            | Bypass, Decoupling                      |
