| Manufacturer                       | Nichicon                                   |
| Description                        | CAP ALUM POLY 680UF 20% 2.5V T/H           |
| Category                           | Capacitors > Aluminum - Polymer Capacitors |
| Part Status                        | Require For Quote & Check Stock            |
| Voltage Rating                     | 2.5V                                       |
| Type                               | Polymer                                    |
| Tolerance                          | ±20%                                       |
| Surface Mount Land Size            | -  |
| Size / Dimension                   | 0.315" Dia (8.00mm)                        |
| Series                             | PLF  |
| Ripple Current - Low Frequency     | -  |
| Ripple Current - High Frequency    | 5.7A @ 100kHz                              |
| Packaging                          | Bulk                                       |
| Package / Case                     | Radial, Can                                |
| Operating Temperature              | -55°C ~ 105°C                              |
| Mounting Type                      | Through Hole                               |
| Lifetime @ Temp.                   | 2000 Hrs @ 105°C                           |
| Lead Spacing                       | 0.138" (3.50mm)                            |
| Impedance                          | -  |
| Height - Seated (Max)              | 0.472" (12.00mm)                           |
| ESR (Equivalent Series Resistance) | 6 mOhm                                     |
| Capacitance                        | 680µF                                      |
| Applications                       | -  |
