### Specifications

|                        |                                  |
|------------------------|----------------------------------|
| Part Number            | PTM330U                          |
| Manufacturer           | EnOcean                          |
| Description            | MODULE TRANSMITTER 4CH W/ANT     |
| Category               | RF/IF and RFID > RF Transmitters |
| Part Status            | Require For Quote & Check Stock  |
| Voltage - Supply       | -                                |
| Series                 | -                                |
| Power - Output         | 1dBm                             |
| Packaging              | Tray                             |
| Package / Case         | Module                           |
| Operating Temperature  | -25°C ~ 65°C                     |
| Modulation or Protocol | FSK                              |
| Memory Size            | -                                |
| Frequency              | 902MHz                           |
| Features               | -                                |
| Data Rate (Max)        | 125kbps                          |
| Data Interface         | PCB, Surface Mount               |
| Current - Transmitting | -                                |
| Applications           | General Purpose                  |
| Antenna Connector      | On-Board, Whip                   |

PTM330U Electronic Components is 100% New Original from YIC Distributor, Search PTM330U Datasheets, PDF, Inventory at Y-IC.com Online, Order PTM330U EnOcean with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal.
