| Manufacturer                       | KEMET                                  |
| Description                        | CAP FILM 0.022UF 5% 1KVDC RADIAL       |
| Category                           | Capacitors > Film Capacitors           |
| Part Status                        | Require For Quote & Check Stock        |
| Voltage Rating - DC                | 1000V (1kV)                            |
| Voltage Rating - AC                | 600V                                   |
| Tolerance                          | ±5%                                    |
| Termination                        | PC Pins                                |
| Size / Dimension                   | 1.024" L x 0.256" W (26.00mm x 6.50mm) |
| Series                             | PHE450                                 |
| Packaging                          | Bulk                                   |
| Package / Case                     | Radial                                 |
| Operating Temperature              | -55°C ~ 105°C                          |
| Mounting Type                      | Through Hole                           |
| Lead Spacing                       | 0.886" (22.50mm)                       |
| Height - Seated (Max)              | 0.571" (14.50mm)                       |
| Features                           | -                                      |
| ESR (Equivalent Series Resistance) | -                                      |
| Dielectric Material                | Polypropylene (PP), Metallized         |
| Capacitance                        | 0.022μF                                |
| Applications                       | General Purpose                        |
