### Specifications

|                         |                                                     |
|-------------------------|-----------------------------------------------------|
| Part Number             | <a href="#">GCM1885C1H3R9CA16D</a>                  |
| Manufacturer            | <a href="#">Murata Electronics</a>                  |
| Description             | CAP CER 3.9PF 50V C0G/NP0 0603                      |
| Category                | <a href="#">Capacitors &gt; Ceramic Capacitors</a>  |
| Part Status             | <a href="#">Require For Quote &amp; Check Stock</a> |
| Series                  | GCM                                                 |
| Voltage - Rated         | 50V                                                 |
| Operating Temperature   | -55°C ~ 125°C                                       |
| Ratings                 | AEC-Q200                                            |
| Mounting Type           | Surface Mount, MLCC                                 |
| Size / Dimension        | 0.063" L x 0.031" W (1.60mm x 0.80mm)               |
| Height - Seated (Max)   | -                                                   |
| Features                | -                                                   |
| Capacitance             | 3.9pF                                               |
| Tolerance               | ±0.25pF                                             |
| Applications            | Automotive                                          |
| Lead Spacing            | -                                                   |
| Package / Case          | 0603 (1608 Metric)                                  |
| Temperature Coefficient | C0G, NP0                                            |
| Thickness (Max)         | 0.035" (0.90mm)                                     |
| Lead Style              | -                                                   |
| Packaging               | Tape & Reel (TR)                                    |
