| Category                           | Capacitors > Niobium Oxide Capacitors |
| Part Status                        | Require For Quote & Check Stock       |
| Voltage - Rated                    | 6.3V                                  |
| Tolerance                          | ±10%                                  |
| Supplier Device Package            | 2917 (7343 Metric)                    |
| Size / Dimension                   | 0.287" L x 0.169" W (7.30mm x 4.30mm) |
| Series                             | OxiCap® NOJ                           |
| Packaging                          | Tape & Reel (TR)                      |
| Package / Case                     | 2917 (7343 Metric)                    |
| Operating Temperature              | -55°C ~ 105°C                         |
| Mounting Type                      | Surface Mount                         |
| Manufacturer Size Code             | D                                     |
| Height - Seated (Max)              | 0.122" (3.10mm)                       |
| Features                           | -                                     |
| ESR (Equivalent Series Resistance) | 400 mOhm                              |
| Dissipation Factor                 | 6%                                    |
| Current - Leakage                  | 12µA                                  |
| Capacitance                        | 100µF                                 |
