| Category                    | Integrated Circuits (ICs) > PMIC - Voltage Regulators - |
| Part Status                 | 2713 pcs Stock                                          |
| Voltage - Output            | 1.22 V ~ 5.5 V                                          |
| Voltage - Input             | 2.7 V ~ 5.5 V                                           |
| Voltage - Dropout (Typical) | 0.077V @ 200mA                                          |
| Supplier Device Package     | SOT-23-6                                                |
| Series                      | -                                                       |
| Regulator Topology          | Positive Adjustable                                     |
| Packaging                   | Tape & Reel (TR)                                        |
| Package / Case              | SOT-23-6                                                |
| Operating Temperature       | -55°C ~ 125°C                                           |
| Number of Regulators        | 1                                                       |
| Mounting Type               | Surface Mount                                           |
| Current - Output            | 200mA                                                   |
| Current - Limit (Min)       | 285mA                                                   |
