### Specifications

|                         |                                                       |
|-------------------------|-------------------------------------------------------|
| Part Number             | SST25VF040B-50-4I-QAF                                 |
| Manufacturer            | Micrel / Microchip Technology                         |
| Description             | IC FLASH 4MBIT 50MHZ 8WSON                            |
| Category                | <a href="#">Integrated Circuits (ICs) &gt; Memory</a> |
| Part Status             | 8300 pcs Stock                                        |
| Series                  | SST25                                                 |
| Operating Temperature   | -40°C ~ 85°C (TA)                                     |
| Interface               | SPI Serial                                            |
| Package / Case          | 8-WDFN Exposed Pad                                    |
| Supplier Device Package | 8-WSON (6x5)                                          |
| Voltage - Supply        | 2.7 V ~ 3.6 V                                         |
| Memory Type             | Non-Volatile                                          |
| Speed                   | 50MHz                                                 |
| Memory Size             | 4Mb (512K x 8)                                        |
| Memory Format           | FLASH                                                 |
| Packaging               | Tube                                                  |

SST25VF040B-50-4I-QAF is New Original in Stock, Search SST25VF040B-50-4I-QAF Datasheets, PDF, Inventory at Y-IC.com Online, Order SST25VF040B-50-4I-QAF Micrel / Microchip Technology with warrantied and confidence. RFQ SST25VF040B-50-4I-QAF : Info@Y-IC.com
