|---------------------------------|---------------------------------------------------------------------------|
| Part Number                     | <a href="#">MCP4662T-104E/MF</a>                                          |
| Manufacturer                    | <a href="#">Micrel / Microchip Technology</a>                             |
| Description                     | IC DGTL POT 100K 257TAPS 10-DFN                                           |
| Category                        | <a href="#">Integrated Circuits (ICs) &gt; Data Acquisition - Digital</a> |
| Part Status                     | <a href="#">Require For Quote &amp; Check Stock</a>                       |
| Series                          | -                                                                         |
| Operating Temperature           | -40°C ~ 125°C                                                             |
| Features                        | Mute, Selectable Address                                                  |
| Interface                       | I <sup>2</sup> C                                                          |
| Configuration                   | Rheostat                                                                  |
| Tolerance                       | ±20%                                                                      |
| Package / Case                  | 10-VDFDN Exposed Pad                                                      |
| Supplier Device Package         | 10-DFN (3x3)                                                              |
| Number of Circuits              | 2                                                                         |
| Voltage - Supply                | 1.8 V ~ 5.5 V                                                             |
| Memory Type                     | Non-Volatile                                                              |
| Resistance (Ohms)               | 100k                                                                      |
| Taper                           | Linear                                                                    |
| Number of Taps                  | 257                                                                       |
| Temperature Coefficient (Typ)   | 150 ppm/°C                                                                |
| Resistance - Wiper (Ohms) (Typ) | 75                                                                        |
| Packaging                       | Cut Tape (CT)                                                             |

MCP4662T-104E/MF is New Original in Stock, Search MCP4662T-104E/MF Datasheets, PDF, Inventory at Y-IC.com Online, Order MCP4662T-104E/MF Micrel / Microchip Technology with warrantied and confidence. RFQ MCP4662T-104E/MF : [Info@Y-IC.com](mailto:Info@Y-IC.com)
