### Specifications

|                                 |                                                      |
|---------------------------------|------------------------------------------------------|
| Part Number                     | JANTX4N24U                                           |
| Manufacturer                    | Optek Technology / TT Electronics                    |
| Description                     | 6 PIN, SMT OPTICALLY COUPLED ISO                     |
| Category                        | Isolators > Optoisolators - Transistor, Photovoltaic |
| Part Status                     | Require For Quote & Check Stock                      |
| Voltage - Output (Max)          | 35V                                                  |
| Voltage - Isolation             | 1000VDC                                              |
| Voltage - Forward (Vf) (Typ)    | 1.3V (Max)                                           |
| Vce Saturation (Max)            | 300mV                                                |
| Turn On / Turn Off Time (Typ)   | -                                                    |
| Supplier Device Package         | 6-LCC (4.32x6.22)                                    |
| Series                          | -                                                    |
| Rise / Fall Time (Typ)          | 20µs, 20µs (Max)                                     |
| Packaging                       | Tray                                                 |
| Package / Case                  | 6-LCC                                                |
| Output Type                     | Transistor with Base                                 |
| Operating Temperature           | -55°C ~ 125°C                                        |
| Number of Channels              | 1                                                    |
| Mounting Type                   | Surface Mount                                        |
| Manufacturer Standard Lead Time | 16 Weeks                                             |
| Input Type                      | DC                                                   |
| Detailed Description            | Optoisolator Transistor with Base Output 1000VDC 1   |
| Current Transfer Ratio (Min)    | 100% @ 10mA                                          |
| Current Transfer Ratio (Max)    | -                                                    |
| Current - Output / Channel      | 10mA                                                 |
| Current - DC Forward (If) (Max) | 50mA                                                 |

JANTX4N24U Electronic Components is 100% New Original from YIC Distributor, Search JANTX4N24U Datasheets, PDF, Inventory at Y-IC.com Online, Order JANTX4N24U Optek Technology / TT Electronics with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal. RFQ JANTX4N24U Email: [Info@Y-IC.com](mailto:Info@Y-IC.com)
