Specifications

|                         |  |
|-------------------------|--|
| Part Number             | JANTXV1N5308-1                             |
| Manufacturer            | Microsemi                                  |
| Description             | DIODE CURRENT REG 100V                     |
| Category                | Integrated Circuits (ICs) > PMIC - Current |
| Part Status             | Require For Quote & Check Stock            |
| Series                  | Military, MIL-PRF-19500/463                |
| Operating Temperature   | -65°C ~ 175°C                              |
| Mounting Type           | Through Hole                               |
| Voltage - Input         | 100V (Max)                                 |
| Package / Case          | DO-204AA, DO-7, Axial                      |
| Supplier Device Package | DO-7                                       |
| Function                | Current Regulator                          |
| Current - Output        | 2.7mA                                      |
| Sensing Method          | -  |
| Accuracy                | ±10%                                       |
| Packaging               | Bulk                                       |

JANTXV1N5308-1 is New Original in Stock, Search JANTXV1N5308-1 Datasheets, PDF, Inventory at Y-IC.com Online, Order JANTXV1N5308-1 Microsemi with warrantied and confidence.
