| Voltage - Rated         | 100V                                                |
| Tolerance               | ±0.5pF                                              |
| Thickness (Max)         | 0.024" (0.61mm)                                     |
| Temperature Coefficient | COG, NP0                                            |
| Size / Dimension        | 0.040" L x 0.020" W (1.02mm x 0.51mm)               |
| Series                  | VJ HIFREQ                                           |
| Ratings                 | -                                                   |
| Packaging               | Tape & Reel (TR)                                    |
| Package / Case          | 0402 (1005 Metric)                                  |
| Operating Temperature   | -55°C ~ 125°C                                       |
| Mounting Type           | Surface Mount, MLCC                                 |
| Lead Style              | -                                                   |
