| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | Require For Quote & Check Stock       |
| Series                  | LD                                    |
| Voltage - Rated         | 100V                                  |
| Operating Temperature   | -55°C ~ 125°C                         |
| Ratings                 | -                                     |
| Mounting Type           | Surface Mount, MLCC                   |
| Size / Dimension        | 0.063" L x 0.032" W (1.60mm x 0.81mm) |
| Height - Seated (Max)   | -                                     |
| Features                | -                                     |
| Capacitance             | 10000pF                               |
| Tolerance               | ±10%                                  |
| Applications            | General Purpose                       |
| Lead Spacing            | -                                     |
| Package / Case          | 0603 (1608 Metric)                    |
| Temperature Coefficient | X7R                                   |
| Thickness (Max)         | 0.035" (0.90mm)                       |
| Lead Style              | -                                     |
| Packaging               | Tape & Reel (TR)                      |
