| Surface Mount Land Size            | 0.327" L x 0.327" W (8.30mm x 8.30mm) |
| Size / Dimension                   | 0.315" Dia (8.00mm)                   |
| Series                             | TP                                    |
| Ripple Current                     | 175.5mA @ 120Hz                       |
| Polarization                       | Polar                                 |
| Packaging                          | Tape & Reel (TR)                      |
| Package / Case                     | Radial, Can - SMD                     |
| Operating Temperature              | -40°C ~ 125°C                         |
| Mounting Type                      | Surface Mount                         |
| Lifetime @ Temp.                   | 2000 Hrs @ 125°C                      |
| Lead Spacing                       | -                                     |
| Impedance                          | -                                     |
| Height - Seated (Max)              | 0.402" (10.20mm)                      |
| ESR (Equivalent Series Resistance) | 200 mOhm                              |
| Capacitance                        | 220µF                                 |
| Applications                       | General Purpose                       |
