| Category                           | Capacitors > Tantalum - Polymer Capacitors |
| Part Status                        | Require For Quote & Check Stock            |
| Voltage - Rated                    | 3V   |
| Type                               | Molded                                     |
| Tolerance                          | ±10%                                       |
| Size / Dimension                   | 0.138" L x 0.110" W (3.50mm x 2.80mm)      |
| Series                             | KO-CAP® T540                               |
| Package / Case                     | 1210 (3528 Metric)                         |
| Operating Temperature              | -55°C ~ 125°C                              |
| Mounting Type                      | Surface Mount                              |
| Manufacturer Size Code             | B  |
| Lifetime @ Temp.                   | 2000 Hrs @ 125°C                           |
| Lead Spacing                       | -  |
| Height - Seated (Max)              | 0.083" (2.10mm)                            |
| Features                           | COTS (High Reliability)                    |
| ESR (Equivalent Series Resistance) | 80 mOhm @ 100kHz                           |
| Capacitance                        | 100µF                                      |
