| Category                           | Capacitors > Aluminum Capacitors |
| Part Status                        | Require For Quote & Check Stock  |
| Voltage Rating                     | 350V                             |
| Tolerance                          | ±20%                             |
| Surface Mount Land Size            | -                                |
| Size / Dimension                   | 3.028" Dia (76.90mm)             |
| Series                             | B43584                           |
| Ripple Current                     | 13.1A @ 100Hz                    |
| Polarization                       | Polar                            |
| Packaging                          | Bulk                             |
| Package / Case                     | Radial, Can - Screw Terminals    |
| Operating Temperature              | -25°C ~ 85°C                     |
| Mounting Type                      | Chassis Mount                    |
| Lifetime @ Temp.                   | 15000 Hrs @ 85°C                 |
| Lead Spacing                       | 1.248" (31.70mm)                 |
| Impedance                          | 30 mOhm                          |
| Height - Seated (Max)              | 4.161" (105.70mm)                |
| ESR (Equivalent Series Resistance) | 25 mOhm @ 100Hz                  |
| Capacitance                        | 4700µF                           |
| Applications                       | General Purpose                  |
