### Specifications

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| Part Number             | 8N3SV76FC-0143CDI8                                      |
| Manufacturer            | IDT (Integrated Device Technology)                      |
| Description             | IC OSC VCXO 81MHZ 6-CLCC                                |
| Category                | Integrated Circuits (ICs) > Clock/Timing - Programmable |
| Part Status             | Require For Quote & Check Stock                         |
| Series                  | FemtoClock® NG                                          |
| Frequency               | 81MHz                                                   |
| Current - Supply        | 120mA                                                   |
| Operating Temperature   | -40°C ~ 85°C                                            |
| Mounting Type           | Surface Mount                                           |
| Type                    | VCXO                                                    |
| Package / Case          | 6-CLCC                                                  |
| Supplier Device Package | 6-CLCC (7x5)                                            |
| Voltage - Supply        | 2.375 V ~ 2.625 V                                       |
| Count                   | -                                                       |
| Packaging               | Tape & Reel (TR)                                        |
