| Part Number             | 08055A681JAT2A                        |
| Manufacturer            | AVX Corporation                       |
| Description             | CAP CER 680PF 50V C0G/NP0 0805        |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | 3760 pcs Stock                        |
| Series                  | -                                     |
| Voltage - Rated         | 50V                                   |
| Operating Temperature   | -55°C ~ 125°C                         |
| Ratings                 | -                                     |
| Mounting Type           | Surface Mount, MLCC                   |
| Size / Dimension        | 0.079" L x 0.049" W (2.01mm x 1.25mm) |
| Height - Seated (Max)   | -                                     |
| Features                | -                                     |
| Capacitance             | 680pF                                 |
| Tolerance               | ±5%                                   |
| Applications            | General Purpose                       |
| Lead Spacing            | -                                     |
| Package / Case          | 0805 (2012 Metric)                    |
| Temperature Coefficient | C0G, NP0                              |
| Thickness (Max)         | 0.037" (0.94mm)                       |
| Lead Style              | -                                     |
| Failure Rate            | -                                     |
| Packaging               | Tape & Reel (TR)                      |
