| Description             | CAP CER 1500PF 50V X7R 0603             |
| Category                | Capacitors > Ceramic Capacitors         |
| Part Status             | 12500 pcs Stock                         |
| Series                  | CL                                      |
| Voltage - Rated         | 50V                                     |
| Operating Temperature   | -55°C ~ 125°C                           |
| Ratings                 | -                                       |
| Mounting Type           | Surface Mount, MLCC                     |
| Size / Dimension        | 0.063" L x 0.031" W (1.60mm x 0.80mm)   |
| Height - Seated (Max)   | -                                       |
| Features                | -                                       |
| Capacitance             | 1500pF                                  |
| Tolerance               | ±10%                                    |
| Applications            | General Purpose                         |
| Lead Spacing            | -                                       |
| Package / Case          | 0603 (1608 Metric)                      |
| Temperature Coefficient | X7R                                     |
| Thickness (Max)         | 0.035" (0.90mm)                         |
| Lead Style              | -                                       |
| Packaging               | Tape & Reel (TR)                        |
