| Part Number                  | S-80925CNPF-G8VTFG                             |
| Manufacturer                 | SII Semiconductor Corporation                  |
| Description                  | IC VOLT DETECTOR 2.5V SNT-4A                   |
| Category                     | Integrated Circuits (ICs) > PMIC - Supervisors |
| Part Status                  | 16856 pcs Stock                                |
| Voltage - Threshold          | 2.5V   |
| Type                         | Voltage Detector                               |
| Supplier Device Package      | SNT-4A   |
| Series                       | S-809xxC                                       |
| Reset Timeout                | 20 ms Minimum                                  |
| Reset                        | Active Low                                     |
| Packaging                    | Tape & Reel (TR)                               |
| Package / Case               | 4-SMD, Flat Leads                              |
| Output                       | Open Drain or Open Collector                   |
| Operating Temperature        | -40°C ~ 85°C (TA)                              |
| Number of Voltages Monitored | 1  |
| Mounting Type                | Surface Mount                                  |
