| Size / Dimension                   | 0.315" Dia (8.00mm)              |
| Series                             | EKA                              |
| Ripple Current                     | 256mA @ 120Hz                    |
| Polarization                       | Polar                            |
| Packaging                          | Bulk                             |
| Package / Case                     | Radial, Can                      |
| Operating Temperature              | -40°C ~ 85°C                     |
| Mounting Type                      | Through Hole                     |
| Lifetime @ Temp.                   | 2000 Hrs @ 85°C                  |
| Lead Spacing                       | 0.138" (3.50mm)                  |
| Impedance                          | -                                |
| Height - Seated (Max)              | 0.512" (13.00mm)                 |
| ESR (Equivalent Series Resistance) | 1.95 Ohm @ 120Hz                 |
| Capacitance                        | 68µF                             |
| Applications                       | General Purpose                  |
