Specifications

|                              |                                                |
|------------------------------|------------------------------------------------|
| Part Number                  | MAX6466UK26+T                                  |
| Manufacturer                 | Maxim Integrated                               |
| Description                  | IC VOLT DETECTOR LP SOT23-5                    |
| Category                     | Integrated Circuits (ICs) > PMIC - Supervisors |
| Part Status                  | Require For Quote & Check Stock                |
| Series                       | -                                              |
| Operating Temperature        | -40°C ~ 125°C (TA)                             |
| Mounting Type                | Surface Mount                                  |
| Type                         | Simple Reset/Power-On Reset                    |
| Package / Case               | SC-74A, SOT-753                                |
| Supplier Device Package      | SOT-23-5                                       |
| Output                       | Open Drain or Open Collector                   |
| Reset                        | Active Low                                     |
| Number of Voltages Monitored | 1                                              |
| Reset Timeout                | 150 ms Minimum                                 |
| Voltage - Threshold          | 2.6V                                           |
| Packaging                    | Cut Tape (CT)                                  |
