|-------------------------|---------------------------------------|
| Part Number             | EMK063B7331KP-F                       |
| Manufacturer            | Taiyo Yuden                           |
| Description             | CAP CER 330PF 16V X7R 0201            |
| Category                | Capacitors > Ceramic Capacitors       |
| Part Status             | Require For Quote & Check Stock       |
| Series                  | M                                     |
| Voltage - Rated         | 16V                                   |
| Operating Temperature   | -55°C ~ 125°C                         |
| Ratings                 | -                                     |
| Mounting Type           | Surface Mount, MLCC                   |
| Size / Dimension        | 0.024" L x 0.012" W (0.60mm x 0.30mm) |
| Height - Seated (Max)   | -                                     |
| Features                | -                                     |
| Capacitance             | 330pF                                 |
| Tolerance               | ±10%                                  |
| Applications            | General Purpose                       |
| Lead Spacing            | -                                     |
| Package / Case          | 0201 (0603 Metric)                    |
| Temperature Coefficient | X7R                                   |
| Thickness (Max)         | 0.013" (0.33mm)                       |
| Lead Style              | -                                     |
| Packaging               | Tape & Reel (TR)                      |
