### Specifications

|                              |                                                |
|------------------------------|------------------------------------------------|
| Part Number                  | LTC2933CDHD#PBF                                |
| Manufacturer                 | Linear Technology / Analog Devices             |
| Description                  | IC SUPERVISOR 6 CHANNEL 16DFN                  |
| Category                     | Integrated Circuits (ICs) > PMIC - Supervisors |
| Part Status                  | Require For Quote & Check Stock                |
| Series                       | -                                              |
| Operating Temperature        | 0°C ~ 70°C (TA)                                |
| Mounting Type                | Surface Mount                                  |
| Type                         | Multi-Voltage Supervisor                       |
| Package / Case               | 16-WDFN Exposed Pad                            |
| Supplier Device Package      | 16-DFN (5x4)                                   |
| Output                       | Open Drain or Open Collector                   |
| Reset                        | Active Low                                     |
| Number of Voltages Monitored | 6                                              |
| Reset Timeout                | Adjustable/Selectable                          |
| Voltage - Threshold          | Adjustable/Selectable                          |
| Packaging                    | Tube                                           |

LTC2933CDHD#PBF is New Original in Stock, Search LTC2933CDHD#PBF Datasheets, PDF, Inventory at Y-IC.com Online, Order LTC2933CDHD#PBF Linear Technology / Analog Devices with warrantied and confidence. RFQ LTC2933CDHD#PBF : Info@Y-IC.com
