| Surface Mount Land Size            | -  |
| Size / Dimension                   | 0.315" Dia (8.00mm)                        |
| Series                             | OS-CON™, SEPC                              |
| Ripple Current - Low Frequency     | 250mA @ 120Hz                              |
| Ripple Current - High Frequency    | 5A @ 100kHz                                |
| Packaging                          | Tape & Box (TB)                            |
| Package / Case                     | Radial, Can                                |
| Operating Temperature              | -55°C ~ 105°C                              |
| Mounting Type                      | Through Hole                               |
| Lifetime @ Temp.                   | 5000 Hrs @ 105°C                           |
| Lead Spacing                       | 0.138" (3.50mm)                            |
| Impedance                          | -  |
| Height - Seated (Max)              | 0.354" (9.00mm)                            |
| ESR (Equivalent Series Resistance) | 10 mOhm                                    |
| Capacitance                        | 270µF                                      |
| Applications                       | General Purpose                            |
