| Manufacturer           | EPCOS                                      |
| Description            | VARISTOR 820V 20KA DISC 27.5MM             |
| Category               | Circuit Protection > TVS - Varistors, MOVs |
| Part Status            | Require For Quote & Check Stock            |
| Varistor Voltage (Typ) | 820V                                       |
| Varistor Voltage (Min) | 738V                                       |
| Varistor Voltage (Max) | 902V                                       |
| Series                 | SuperioR, S25                              |
| Packaging              | Bulk                                       |
| Package / Case         | Disc 27.5mm                                |
| Number of Circuits     | 1  |
| Mounting Type          | Through Hole                               |
| Maximum DC Volts       | 670VDC                                     |
| Maximum AC Volts       | 510VAC                                     |
| Energy                 | 750J                                       |
| Current - Surge        | 20kA                                       |
