| Manufacturer            | <a href="#">Linear Technology / Analog Devices</a>                         |
| Description             | IC REG SW QUAD TFT LCD 28-TSSOP                                            |
| Category                | <a href="#">Integrated Circuits (ICs) &gt; PMIC - Voltage Regulators -</a> |
| Part Status             | 4980 pcs Stock                                                             |
| Series                  | -                                                                          |
| Operating Temperature   | -40°C ~ 85°C                                                               |
| Mounting Type           | Surface Mount                                                              |
| Voltage - Input         | 4.5 V ~ 22 V                                                               |
| Applications            | Converter, TFT LCD                                                         |
| Package / Case          | 28-TSSOP (0.173", 4.40mm Width) Exposed Pad                                |
| Supplier Device Package | 28-TSSOP-EP                                                                |
| Voltage - Output        | 1.25 V ~ 40 V                                                              |
| Number of Outputs       | 4                                                                          |
| Packaging               | Tube                                                                       |

LT1943EFE#PBF is New Original in Stock, Search LT1943EFE#PBF Datasheets, PDF, Inventory at Y-IC.com Online, Order LT1943EFE#PBF Linear Technology / Analog Devices with warrantied and confidence. RFQ LT1943EFE#PBF : Info@Y-IC.com
