| Part Status                      | <a href="#">Require For Quote &amp; Check Stock</a>                        |
| Voltage Dropout (Max)            | -                                                                          |
| Voltage - Output (Min/Fixed)     | 1.3V                                                                       |
| Voltage - Output (Max)           | -                                                                          |
| Voltage - Input (Max)            | 5.5V                                                                       |
| Supplier Device Package          | 4-XDFN (1x1)                                                               |
| Series                           | -                                                                          |
| Protection Features              | Over Current, Over Temperature, Soft Start                                 |
| Packaging                        | Tape & Reel (TR)                                                           |
| Package / Case                   | 4-XDFN Exposed Pad                                                         |
| PSRR                             | 91dB ~ 60dB (100Hz ~ 100kHz)                                               |
| Output Type                      | Fixed                                                                      |
| Output Configuration             | Positive                                                                   |
| Operating Temperature            | -40°C ~ 125°C (TA)                                                         |
| Number of Regulators             | 1                                                                          |
| Mounting Type                    | Surface Mount                                                              |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                              |
| Manufacturer Standard Lead Time  | 18 Weeks                                                                   |
| Detailed Description             | Linear Voltage Regulator IC 1 Output 250mA 4-XDFN                          |
| Current - Quiescent (Iq)         | 20µA                                                                       |
| Current - Output                 | 250mA                                                                      |
| Control Features                 | Enable                                                                     |

NCP163AMX130TBG Electronic Components is 100% New Original from YIC Distributor, Search NCP163AMX130TBG Datasheets, PDF, Inventory at Y-IC.com Online, Order NCP163AMX130TBG AMI Semiconductor / ON Semiconductor with Warrantied and Confidence. Ship by DHL/FedEx/TNT/UPS Express. Support Payment with Telegraphic Transfer(T/T) or PayPal.
